# SDET Technical Task – Siemens

Bug Report – Report any bugs found by creating a bug ticket for each bug (My Store site)

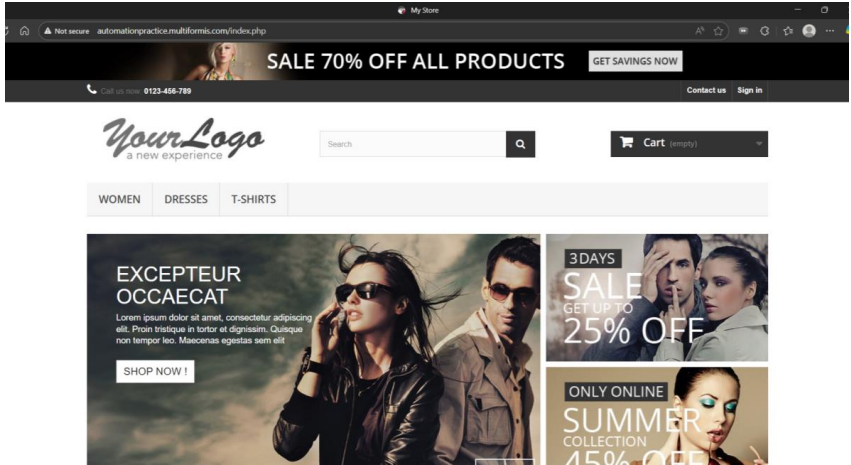

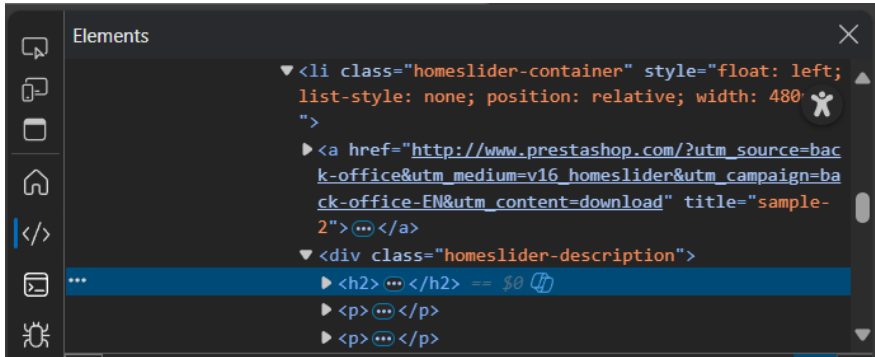

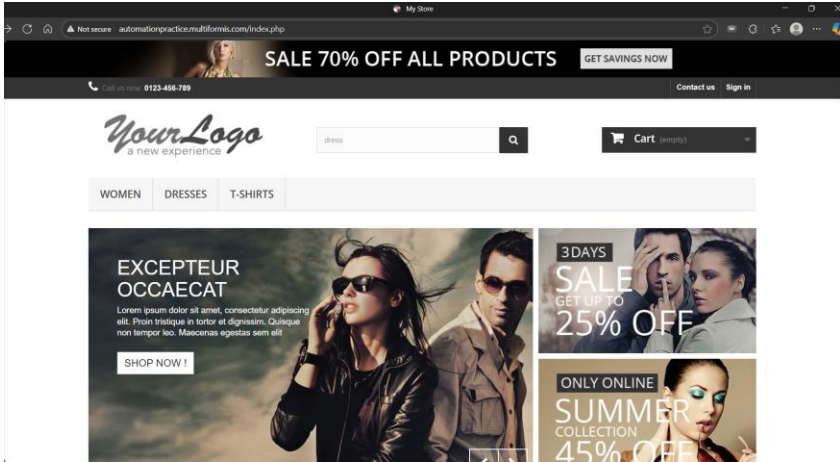

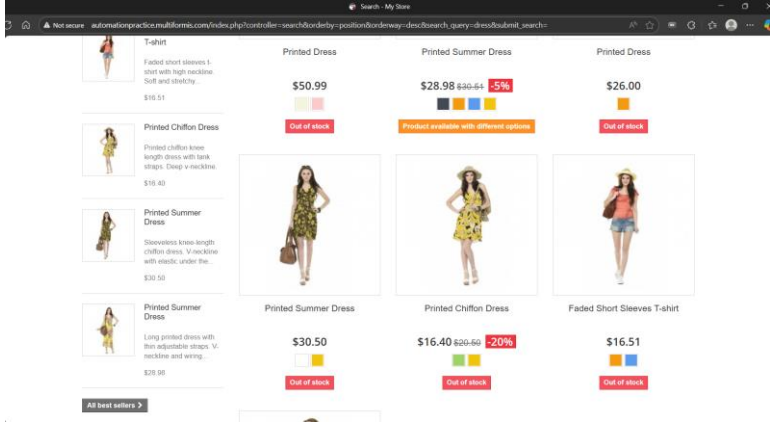

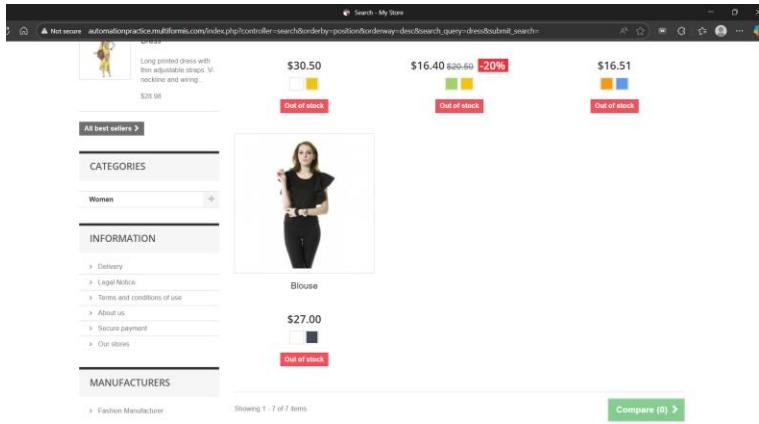

Project: SDET / My Store (multiformis.com)
Author: Yasmin Afifi
Date: 12-08-2025

Summary: Report any bugs you find by creating a bug ticket for each bug, for My Store (multiformis.com) site

ID	BU-001
Title	Favicon missing or default
Severity	Trivial
Priority	P3
Environment	My Store – Desktop (Chrome/Firefox/Edge), default locale; base /index.php
Preconditions	Open site
Steps to Reproduce	Look at browser tab icon
Expected	Branded favicon displayed
Actual	Default/absent favicon
Evidence	
Suggestions / Notes	Add favicon.ico / rel='icon'

ID	BU-002
Title	Product images missing meaningful alt
Severity	Minor
Priority	P2
Environment	My Store – Desktop (Chrome/Firefox/Edge), default locale; base /index.php
Preconditions	Inspect product cards
Steps to Reproduce	Check <img alt> on product thumbnails
Expected	Alt describes product
Actual	Empty/placeholder alt
Evidence	
Suggestions / Notes	Add product names as alt text

ID	BU-003
Title	Search input retains previous query on Home (no clear control)
Severity	Minor
Priority	P2
Environment	My Store – Desktop (Chrome/Firefox/Edge), default locale; base /index.php
Preconditions	Perform a search for 'dress'
Steps to Reproduce	Return to Home
Expected	Home search input resets or offers a clear button
Actual	Previous query 'dress' remains prefilled (confusing)
Evidence	
Suggestions / Notes	Either clear on Home or add a clear (×) control; label persistence if intentional

ID	BU-004
Title	Search results include non-matching items (relevance)
Severity	Major
Priority	P1
Environment	My Store – Desktop (Chrome/Firefox/Edge), default locale; base /index.php
Preconditions	Search for 'dress'
Steps to Reproduce	Review results grid and left list
Expected	Results match the query intent ('dress' only)
Actual	At least one item is a 'T-shirt' in results
Evidence	
Suggestions / Notes	Tighten search analyzer/index; filter by category or boost title keywords

ID	BU-005
Title	Search accepts blank query
Severity	Minor
Priority	P2
Environment	My Store – Desktop (Chrome/Firefox/Edge), default locale; base /index.php
Preconditions	Click search with empty field
Steps to Reproduce	Submit search
Expected	Validation prevents empty search
Actual	Site submits and shows generic list
Evidence	
Suggestions / Notes	Add required & onsubmit validation
